Dear Directors & Recruiters,

As of March 20th, 2020, NoteCloud will be allowing students to conduct virtual auditions for free to colleges and universities from across the United States due to COVID-19.

This will allow every student the equal opportunity to audition for directors, recruiters and professors in a safe, organized and efficient manner. Each performing arts program that will need an audition profile will be invoiced for \$499.00 for a 1 year membership. If you have any questions or need help with this process in any way please, contact our office for support.

Thank you for choosing NoteCloud Network and being a pillar in our community.

Warmest Regards,

Erin C. Robinson
